RE: Other Permits needed

The Town Board of the Town of Richland has asked me to advise you that the permit issued by the Town of Richland is for **land use only and only pertains to the Town of Richland's Zoning Ordinance**. You may be required to obtain other permits from other agencies prior to commencing work for said project. These agencies include but not limited to the DEC, Os. Co. Health Dept., Army Corp of Engineers, National Grid, NYS Dept. of Labor or New York State Building Codes. The Town strongly urges applicants to contact these agencies prior to commencing with a construction project.
